**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT**

Sir:

Pursuant to 37 C.F.R. §§1.56 and 1.97(c), applicants hereby bring to the attention of the Examiner the following documents listed on the attached PTO Form 1449. This Supplemental Information Disclosure Statement is being filed in the above-identified application before the mailing date of a final Office Action, and is accompanied by a statement pursuant to 37 C.F.R. § 1.97(e). Therefore, the filing of this Supplemental Information Disclosure Statement is both timely and proper.

Applicants note that, because the filing dates of U.S. Patent Nos. 6,473,802, 6,675,261, 6,782,379, and 6,816,871 listed on the attached PTO Form 1449 are after the filing

date of the present application, these references are not believed to be prior art to the present application. Nevertheless, applicants have listed these references on the attached PTO Form 1449 because they were cited by an Examiner in connection with related U.S. Patent Application No. 09/589,427, which was filed on the same date as the present application.

Copies of the two (2) non-patent documents listed on the accompanying PTO Form 1449 are submitted herewith. It is respectfully requested that the Examiner initial and return a copy of the enclosed PTO Form 1449 with the next Patent Office communication.

No item of information contained in this Supplemental Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application, and, to the best of my knowledge, no item of information contained in this Supplemental Information Disclosure Statement was known to any individual designated in § 1.56(c) more than three months prior to this filing.

The Director is also hereby authorized to charge any fees due in connection with the filing of this Supplemental Information Disclosure Statement, or to credit any overpayment, to Deposit Account No. 08-0219.

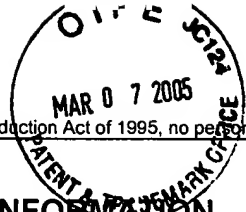

Respectfully submitted,

Date: 3/3/05
